

Greetings,

As part of the program for the 2018 National Corrections Conference there will be an Area Roll Call on Friday evening. This will be conducted as a panel where each Area in attendance may have one representative to speak no longer than 2 minutes on their Area's efforts to carrying the AA message behind the walls. Focus should emphasize an Area's unique experiences and challenges along with the health of their efforts of carrying the AA message to incarcerated citizens. Participation is open to the 93 delegate Areas of the US/Canada General Service Conference and area outside of the US/Canada structure. The spokesperson/presenter does not need to be an Area Corrections Committee Chairperson or Area Officer. Each area will have only one representative.

We ask that interested Areas email us at 2018NCCInfo@gmail.com with their intentions to participate in the Roll Call or with any questions.
